### EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Patrick Yoder [37479] on July 12, 2005.

The application has been amended as follows:

In claim 18, change "claim 20" to --claim 17--.

In claim 19, change "claim 21" to --claim 18--.

In claim 20, change "claim 22" to --claim 19--.

In claim 22, change "claim 24" to --claim 21--.

In claim 23, change "claim 25" to --claim 22--.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Claims 1-2, 4-9, 11-12, 15-24 are allowed.

3. The following is an examiner's statement of reasons for allowance:

Claims 1, 12, 21 recite, inter alia, *the inductor has a height less than 40% of the diameter of the base surface.*

Art Unit: 2832

Claim 17 recites, inter alia, *at least one lateral side configured to transfer heat in a convective mode of heat transfer; all side surfaces having a collective area less than the desired area of the primary heat dissipation surface.*

Claim 24 recites, inter alia, *at least one lateral side configured to transfer heat in a convective mode of heat transfer; all side surfaces having a collective area less than 1.6 times the desired area of the primary heat dissipation surface.*

The references of record do not teach or suggest the aforementioned limitation, nor would it be obvious to modify those references to include such limitation.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
